

DESIGNER SECTION #4

Giuseppe Ribaud

@giucy_giuce

My block is directly inspired by a project I am working on for Quilter's Affair for next year. I don't want to say too much more about it because I believe when you talk too much about an idea its energy

dissipates instead of being used toward your project. Suffice it to say I am overwhelmingly excited about what I will be working on up until July of 2024. Val is in no small part responsible for it. I am filled with gratitude.

(1) 2½" x 20" strip; subcut

(1) 2½" x 12"

(1) 3" x 20" strip; subcut

(1) 3" x 12"

Instructions:

Note: All seam allowances are ¼". Sew fabrics with right sides together.

There are 4 different foundation paper templates for this block. (pages 15-18). Note that all sections of the templates with odd numbers are made with **Fabric E**, the even numbered sections are made with remaining fabrics. See block image and templates for suggested fabric placement.

1. Make Unit 1 using preferred foundation paper piecing technique, or as briefly described here. Fabrics will be arranged on the side of the paper template without markings. Sewing will be done on the side with the marked lines. Stitch along lines and extending $\frac{1}{4}$ " beyond stitching line on both ends.
2. Start by placing a **Fabric E** $2\frac{1}{2}$ " x 12" piece wrong side down on the Unit 1 template over position 1 (shown in gray). Be sure it covers position 1 completely, and $\frac{1}{4}$ " around for the seam allowance. **Fig. 1.**
3. Arrange a **Fabric J** $2\frac{1}{2}$ " x 12" piece right sides together with the **Fabric E** piece. The **Fabric J** piece will overlap position 2 by only $\frac{1}{4}$ ", but once sewn will fold over and cover it completely including a $\frac{1}{4}$ " seam allowance in all directions. Stitch along the line between positions 1 and 2, extending $\frac{1}{4}$ " beyond stitching line on both ends. Fold the paper template away and carefully trim the seam allowance to $\frac{1}{4}$ ". Press to the most recently added piece of fabric. **Fig. 2.**
4. Arrange a **Fabric E** $2\frac{1}{2}$ " x 12" piece right sides together with the other fabric pieces. The **Fabric E** piece will overlap position 3 by only $\frac{1}{4}$ ", but once sewn will fold over and cover it completely including a $\frac{1}{4}$ " seam allowance in all directions. Stitch along the line between positions 3 and 1-2 extending $\frac{1}{4}$ " beyond stitching line on both ends. Fold the paper template away and carefully trim the seam allowance to $\frac{1}{4}$ ". Press to the most recently added piece of fabric. **Fig. 3.**

5. Continue to add fabrics until Unit 1 is completed. Trim Unit 1 using the outside line around the template ($7\frac{1}{2}$ " x $10\frac{1}{2}$ " unfinished). Use **Fabric E** 3" x 12" pieces as needed in place of the $2\frac{1}{2}$ " x 12" pieces. **Fig. 4**

6. Remove paper from unit.

7. Repeat Steps 1-6 to make 1 each Units 2-4. **Fig. 5**

Block 4 Layout

8. Arrange the 4 units in a row as shown, or as desired. Sew the units together along long edges, using a $\frac{1}{4}$ " seam allowance. **Fig. 6** Press seams open. The block measures $10\frac{1}{2}$ " x $28\frac{1}{2}$ " unfinished.
