Finishing

8. Layer the backing, batting, and quilt top; baste the layers together and quilt as desired. Trim the batting and backing even with the quilt top.

9. Sew together the 2½" (6.35cm) **Fabric A** binding strips end to end using diagonal seams to make one continuous piece. Fold in half wrong sides together and press the length.

10. Leaving an 8" (20.32cm) tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" (.64cm) and press open.

11. Turn the binding to the back of the quilt and hand-stitch or machine stitch in place.
