If kitting, refer to the final pattern for yardage amounts, it is recommended that a sample is made to confirm accuracy.

NOTE: ERRATA received from Pattern Designer:

* **Fabric B:** If using a print that runs perpendicular to the selvedge (such as the bat print), you will need to cut (3) 4" strips and (6) 2" strips. Sew the 4" strips together end to end; cut (2) 4" x 53" rectangles. Sew the 2" strips together end to end; cut (4) 2" x 53" rectangles. The original yardage provided is more than sufficient to allow for the fussy cutting and piecing.
