Cutting

WOF = Width of Fabric

Notes:

- Cut sizes are listed smaller x larger unless fabric is a directional print, in which case cut sizes are listed as width x height.
- **Fussy cutting:** Plan all the desired fussy cuts from **Fabric A** and **Fabric E** before cutting.
- The 4 large cameos needed from **Fabric A** can all be cut from 1 row of 4 cameos, but yardage amount listed allows for a second row of cameos in case of a cutting error or for additional choices of motif repeats.
- Group **Fabrics I, V, and W** together and treat as one fabric, called '**Background Fabric**' below in the cut list and in the instructions. For added variety in the background, each time the instructions list another group of WOF strips, switch background fabric as you cut (for example, cut the first 7" x WOF from **Fabric I**, the second from **Fabric V**, and the third from **Fabric W**, or alternate as you desire), and subcut as directed
- Alternate fabrics randomly throughout the piecing process for a scrappy background.
- **TIP:** To stay organized, label cut pieces with the final Unit or Block number listed in brackets after the cut size. For example, [U1] means piece is used for Unit 1, and [B4] means piece is used for Block 4 (but not part of a unit). Keep cut pieces grouped either by fabric or by Unit/Block label.

Instructions

Notes:

- Use an accurate 1/4" seam allowance throughout - you may want to test your seam allowance with scraps before piecing all your blocks to make sure they come out to the correct finished size.
- Sew all pieces with right sides together and raw edges even using matching thread. Press after each seam in your preferred direction.
- Unit and block dimensions are listed as width x height including seam allowances.

Stitch-and-Flip Corners:

For all units with diagonal seams, follow this stitch and flip method:

a - Align marked square on corner, right sides together, with the line oriented as shown in the diagram.

b - Stitch along the marked line.

c - Trim seam allowances to 1/4". Press corner out.

Quilt Top Assembly

Note: Follow the **Quilt Layout** diagram (page 15) while assembling the quilt. Press seam allowances towards the Sashing Strips. Measure the Quilt Center width and height before cutting and adding borders and adjust border measurements if necessary to match your measurements.}

46. Noting the **Quilt Layout** diagram for placement, arrange Blocks 1a-6a alternating with 5 Background Fabric $2\frac{1}{2}$ " x $18\frac{1}{2}$ " row sashing strips as shown. Sew the blocks and sashing strips into a row ($18\frac{1}{2}$ " x $60\frac{1}{2}$ " unfinished). In the same manner, make 3 more block rows with Blocks 1b-6b, Blocks 1c-6c, and Blocks 1d-6d.
47. Sew the remaining $2\frac{1}{2}$ " x WOF Background Fabric strips together end to end into 1 continuous strip, alternating fabrics as desired. From this, cut 3 strips $60\frac{1}{2}$ ".
48. Join the block rows with the $60\frac{1}{2}$ " Background Fabric strips between them. Sew together to complete quilt center ($60\frac{1}{2}$ " x $78\frac{1}{2}$ " unfinished).
49. From the remaining continuous Background Fabric strip, cut 2 side inner borders $78\frac{1}{2}$ " long and 2 top/bottom inner borders $64\frac{1}{2}$ " long. Sew the longer borders to the left and right sides of the quilt center. Add the remaining borders to the top and bottom of the quilt center.

50. Sew the **Fabric B** $2\frac{1}{2}$ " x WOF strips together end to end into 1 continuous strip, using diagonal seams if desired. Cut 2 side outer borders $82\frac{1}{2}$ " long and 2 top/bottom borders $68\frac{1}{2}$ " long. Sew the longer borders to the left and right sides of the quilt center. Add the remaining borders to the top and bottom of the quilt to complete it ($68\frac{1}{2}$ " x $86\frac{1}{2}$ " including seam allowances).

Finishing

51. Sew together the $2\frac{1}{2}$ " **Fabric G** binding strips end-to-end using diagonal seams. Press seams open. Press the binding strip in half wrong sides together.
52. Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
53. Leaving an 8" tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to $\frac{1}{4}$ " and press open. Finish sewing binding to quilt.

54. Turn the binding to the back of quilt and hand-stitch in place.
